FUNCTIONS AND DUTIES OF THE OFFICERS AND EMPLOYEES INCLUDING SUPERVISIONS AND ACCOUNTABILITY

1. District A.H.& Veterinary Officer :- The District A.H.& Veterinary Officer is functioning as the head of the office for all developmental activities concerning the Animal husbandry projects/ programmes and health care of livestock and poultry within the district. The officer is looking after the administration and official correspondence of the district office as well as implementing the State Plan schemes as allotted. The officer is also responsible for successful implementation of the projects / programmes in improving the level of living of the farm community in both urban and rural areas. Besides, the District Officer has to make various efforts to educate the rural population for participation in animal husbandry development involving certain approaches on breeding, management, feeding and disease control for improvement of livestock and poultry products and their productions. The other duties of the District officer are to supervise the works and activities entrusted to the subordinate officers and staff at head quarter and field levels within the establishment of the district. The District Officer is accountable on the success and failure or non-functioning of any scheme or project and institutions at district level and field levels under his/her establishment.

2. Assistant Piggery Development Officer :- The Assistant Piggery Development Officer APDO by designation is to assist the District A.H.& Veterinary Officer in implementation of Piggery development Programme within the district. However, due to shortage of manpower the APDO is also engaged for assisting in implementing Poultry/ Dairy/ Goatery development programmes and other departmental activities as allotted from time to time. The officer is therefore fully involved in various programmes besides supervising the works and to look after the follow up action in field level. The officer is accountable on the success and failure of the programmes in the district and field levels.

3. Sub-Divisional A.H.& Veterinary Officers :- The functions and duties and accountability of the Sub-Divisional Officers in their respective sub-divisional jurisdiction are same as that of the District Officer.

4. Animal Husbandry & Veterinary Officers :- The Animal Husbandry & Veterinary Officers (AH&VO) are mainly engaged in the hospitals and dispensaries for treatment and vaccination of livestock and poultry. In addition, they are also extending technical help to the farmers both in disease control and farming of livestock and poultry in modern and scientific way for improving the rural economy. Educating the farmers is also one of their duties at field level. Besides, the AH&VOs are performing other duties as entrusted by the District Officer from time to time concerning implementation of various developmental programmes of the department. The A.H.& VO posted at Block are also extending their services to the Block Development Officers for implementation of programmes under Community and Rural Development Department. The officers look after the activities of A.H.& Veterinary programmes in their respective areas as well as supervise the duties and performance of the para veterinarians (SVFA/ VFA). They are accountable on the success and failure of the schemes/ programmes at field level and also their availability to the farmers for treatment, vaccination etc of livestock and poultry.

5. Supervisor Veterinary Field Assistants (SVFA) & Veterinary Field Assistants (VFA) :- The SVFAs and VFAs are mainly attached in the hospital or dispensaries for assisting the AH&VOs in treatment, vaccination, castration etc. of livestock and poultry. They are to perform the said duties under the supervision of the technical officers as per Veterinary Council Act. Besides, they are to accompany and assist the AH&VOs while attending veterinary treatment in field. They are accountable on success and failure of treatment, vaccination, castration of livestock & poultry including dispensing and administration of medicines.

6. Project Officer, ICDP, Tura :-The Project Officer is the head of the establishment of the Intensive Cattle Development Programme with its headquarter at Tura. Its main duties and functions is to propagate Artificial insemination in the three districts of Garo Hills. The Project officer with the help of officers and field staffs has to make effort to bring maximum numbers of breedable cattle under its fold so that cattle quality in the region can be improved and thereby increase in milk production and income of cattle farmers.

The officer is to look after the administration official correspondence and financial matters relating to the establishment. He/She is also responsible for timely submission of returns/reports.

The officer is accountable in terms of the physical as well as the financial achievement and for successful implementation of the programme.

7. Assistant Engineer :- The Assistant Engineer is responsible for all sorts of construction works being undertaken in all three districts of Garo Hills.

8. Upper Division Assistant :- The functions and duties of Upper Division Assistant in the establishment is to see that the office functions smoothly. He is responsible for maintaining Establishment files, Accounts and Cash books. He is also responsible for maintaining confidential files.

9. Lower Division Assistant :- He/she is responsible for receipt and issue of letters and its distribution. He/she is also responsible for preparing pay bills of the staffs and typing.

NB. Normal Fund allotment for the year 2006-2007 have not yet received.
